

Student Support

We offer advice and information about studying at and living near the School, and provide support on a wide variety of issues for all students.

Disability support

Guidance with identifying resources aimed at enabling full participation including the Disabled Students' Allowances (DSA) is available from the Student Support and Wellbeing team. We work with students to identify support needs and work with your department to set up reasonable adjustments for disabled students and those with health conditions.

Student Support and Wellbeing

The Student Support and Wellbeing team are here to help you make the most of your time at the School and can help you with a wide variety of matters.

- Issues arising from your experience on your course
- Health or wellbeing concerns about yourself or a friend
- Reporting any incidences in which you are involved, either here at the School or anywhere else.
- Issues that affect your participation on your course
- Access to professional counselling
- Getting involved with wellbeing events or activities
