

## **The Office of the Independent Adjudicator for Higher Education**

The Office of the Independent Adjudicator for Higher Education (OIA) acts as an external, independent body to review student complaints when the student has exhausted all internal procedures. A review by the OIA may take six months or more to complete.

Where applicable, students will be provided with a Completion of Procedures Letter and information about how to apply to the OIA for a review of a decision taken under one of the National Film and Television School's procedures.
